**CyberNational is the only company providing a 5-year vessel warranty and 2-year, no-hassle parts warranty.**

Our Bullet Recovery System has been engineered to provide the highest degree of safety, durability and convenience. No other system comes close in features, performance and value. Offering 28% to 50% greater protection and strength than 3/16" thick tanks. The system will fully contain water under all firing conditions. No dissimilar-joined metals are used anywhere on the vessel, and only stainless and/or brass fittings are utilized in the plumbing circuit.

## Safety Shooting Platform >>>

Custom Safety Shooting Platform provides the safest and most comfortable position for firing and recovery in your 48" high Bullet Recovery Tank.

The Platform is designed to roll out of the way when not in use.

**The #1 Choice of firearms examiners worldwide.**
